

3^d Myanmar Nephro Uro Conference

Yangon, Myanmar

PROGRAMME

Pre-conference Workshops

Nephrology

Date : 3 November 2017

Venue: MS Office, Yangon Specialty Hospital

Time	Topic	Speaker
09:00-10:30	CRRT, AVF creation Moderator - Prof. Khin Mg Htay	Prof Sanjiv Jasuja Senior Consultant Nephrologist Indraprastha Apollo Hospital, New Delhi
10:30-12:00	Usage of color Doppler USG in nephrology Moderator - Prof. Khin Thida Thwin	Dr. Tim Spicer Director Renal Medicine, South West Sydney Local Health District, Austria
12:00-13:00	Lunch (sponsored by HFTH)	
13:00-15:00	Interventional Nephrology (Vascular Access) Moderator - Prof. Khin Mg Mg Than	Dr. Tung Huei Chang Department of Nephrology, Heartlife Hospital, Okinawa, Japan

Urology

Date : 3 November 2017

Venue: Urology Department, Yangon Specialty Hospital

Time	Operation	Surgeon
08:00-13:00 (OT-3)	1.Laparoscopic adrenalectomy	Assoc. Prof. Vorapot Choonhaklai
	2.Laparoscopic retropubic radical prostatectomy	Dr Tanet Thaidumrong
08:00-13:00 (OT-4)	1.Supine PCNL	Professor Noor
	2.RIRS	

13:00-14:00 - Lunch

Pre-congress ASU Workshop

Date : 3 November 2017

Venue: CME Hall, Yangon Specialty Hospital

14:00-14:10	Welcome and introduction	Prof. Michael Wong
14:10-14:30	Laparoscopic donor nephrectomy: the standard of care?	Prof. Tiong Ho Yee
14:30-14:50	Update on kidney transplant programme in Myanmar	Prof. Kyaw Zwa Hlaing
14:50-15:10	Individualising localized kidney cancer surgery	Prof. Tiong Ho Yee
15:10-15:30	Tea break	
15:30-15:50	Launch of BPH flip chart medical management protocol	Prof. Andreas Gross
15:50-16:10	New arrivals in BPO; Do we have a winner?	Prof. Michael Wong
16:10-16:30	How does bipolar compare with monopolar and freenlight TURP	Prof. Michael Wong
16:30-16:50	Tips and tricks in RIRS	Prof. Andreas Gross
16:50-17:00	Q&A and closing	Prof. Michael Wong
17:00-17:10	UAA organization and activities	Ms. Angie See Beng Guek

19:00 onwards - Faculty Dinner (Chinese Restaurant, Sule Shangrila Hotel)

Venue: Park Royal Hotel, Yangon

Day 1 (4 November 2017)

Time	Grand Ball Room	Time	Ball Room C
07:30-08:00	Registration		
08:00-08:45	Opening ceremony by Prof Khin Thida Thwin		
08:45-09:00	Coffee break (R&B)		
	Guest lectures Chairpersons 1.Prof. Khin Tun 2.Prof. Toe Lwin		
09:00-09:20	BJUI lecture-New approaches to the management of advanced prostate cancer Prof. Krishna Sethia		
09:20-9:40	SIU lecture-Future directions of PCNL and URS Dr. Noor Buchholz		
09:40-10:00	Futtrue prospect of urologic robotic surgery in Japan Prof. Masato Fujisawa		
10:00-11:00	Nephro (kidney Transplant) Chairpersons 1. Prof. May Mya Win 2. Prof. Khin Mg Htay Immunosuppression for high immunological risk patients Prof. Sanjiv Jasuja Senior Consultant Nephrologist Indraprastha Apollo Hospital, New Delhi Recent advances in live donor kidney transplantation Prof. Randall Faull Senior Consultant in Nephrology Royal Adelaide Hospital		
	Urology (Kidney Transplant) Chairpersons 1.Prof. Than Aye 2.Prof. Win Myaing		
11:00-11:15	Challenges in kidney transplant surgery Prof. Tiong Ho Yee		
11:15-11:30	Cadaveric kidney transplant Prof. Sananda Bag		
11:30-11:45	Ureteral complications and their management in kidney transplantation Dr. Aung Khant		
11:45-12:00	Hand-assisted donor nephrectomy in Mandalay General Hospital Prof. Min Thu		
12:00-12:45	Lunch (sponsored by Maria Holding)		

Day 1 (4 November 2017)

Time	Grand Ball Room	Time	Ball Room C
12:45-13:45	<p>Nephrology (Glomerulonephritis) Chairpersons 1. Prof Khin Mg Mg Than 2. Prof Khin Thida Thwin</p>		<p>Recent advances in Urology Chairpersons 1. Prof. Kyaw Zwa Hlaing 2. Prof. Phone Myint</p>
	<p>Membranous nephropathy Dr. Tim Spicer Director Renal Medicine, South West Sydney Local Health District, Austria</p>	12:45-13:05	<p>Setting up robotic surgery program - Initial experience and critical steps for success Prof. Ng Foo Cheong</p>
	<p>Management for proliferative lupus nephritis Prof. Sanjiv Jasuja Senior Consultant Nephrologist Indraprastha Apollo Hospital, New Dehli</p>	13:05-13:25	<p>RFA for small renal mass Dr. Allen Sim Soon Phang</p>
13:45-14:45	<p>Nephrology (CRRT) Chairpersons 1. Prof. Htun Hlaing 2. Prof. Khin Thida Thwin</p>		<p>Endourology Chairpersons 1.Prof. Premnath Dogra 2.Prof. Min Thu</p>
	<p>CHDF in Yamanashi Prof. Kenichi Matsuda, University of Yamanashi, School of Medicine, Japan</p>	13:45-14:00	<p>ESWL, Perc, URS : when to do what? Prof. Adrea Gross</p>
	<p>Principle of solute transfer in HD, HDF and CRRT Professor Akihiro C. Yamashita Department of Chemical Science and Technology, Hosei University</p>	14:05-14:20	<p>Reviewing new technology in endourology : Update on ureteral access sheath for RIRS Prof. Michael Wong</p>
		14:25-14:40	<p>Perfect percutaneous nephrolithotomy Prof. Bannakij Lojanapiwat</p>
14:45-15:00	Tea Break (sponsored by Kalbe)		

Day 1 (4 November 2017)

Time	Grand Ball Room	Time	Ball Room C
15:00-16:00	Nephrology (CKD) Chairpersons 1. Prof. Myo Oo 2. Prof. Khin Mg Htay 1.Recent trials in adult polycystic kidney disease 2. Do arteriovenous fistula increase cardiac risk? Professor Randall Faull Senior Consultant in Nephrology, Royal Adelaide Hospital	15:00-15:20 15:20-15:40 15:40-16:00	Paediatric Urology Chairpersons 1. Prof. Htoo Han 2. Prof. Aye Aye Surgical aspect of CAKUT in Myanmar Prof. Nyo Nyo Win Paediatric Urodynamic Prof. Krishnan Prabhakaran Management paediatric urological cases: Mandalay perspective Dr Thazin Khaing
19:00	Presidential dinner, Grand Ballroom, Park Royal Hotel (sponsored by Roche)		

Day 2 (5 November 2017)

Time	Grand Ball Room	Time	Ball Room C
08:00-09:00	Nephrology (Paediatric) Chairpersons 1. Prof. Pe Thet Khin 2. Prof. Yee Yee Khin		Urology (Nurses Session) Chairpersons 1. Assoc. Prof. La Min Win 2. Assoc. Prof. Kyaw Myint
	Urinary tract infection in children : Investigation and treatment Dr Yam- Ngo Lim	08:00-08:20	Urology OR Nursing Perspective Mr.Mahmood Bin Idrose (Nurse Officer, SGH)
	Obstructive uropathy in Children Dr Lau Yew Weng Perry	08:20-08:40	Immediate and specific post-operative care for urology patient Mr.Mahmood Bin Idrose (Nurse Officer, SGH)
		08:40-09:00	Operative care of renal transplant patients(MGH) (Nursing aspect) Sister Yin Yin Htun
09:00-10:00	Nephrology (Kidney and Toxin) Chairpersons 1. Prof. Htun Hlaing 2. Prof. Randall Faull		Urology (Trainee Presentation) Chairpersons 1.Assoc. Prof. Htun Nyunt 2.Assoc. Prof. La Min Win
	Update on management of ANCA associated vasculitis Assoc. Prof. Chen-Au-Peh Department of Renal Medicine, Royal Adelaide Hospital, South Australia	09:00-09:10	The adrenal tumor surgery in Yangon Specialty Hospital Dr. Aye Chan Myae Kyaw
	Snake Bite data from Mandalay division Assoc. Prof. Chen-Au-Peh Department of Renal Medicine, Royal Adelaide Hospital, South Australia	09:10-09:20	Hazards after transrectal ultrasound guided prostate biopsy Dr. Chit Hsu Htwe
		09:20-09:30	The effect of preoperative factors on outcome of TURP Dr. Hpone Naing Oo
		09:30-09:40	Outcome of extracorporeal shock wave lithotripsy for single renal stone in Mandalay General Hospital Dr. Kyaw Min

Time	Grand Ball Room	Time	Ball Room C
		09:40-09:50	Bladder cancer cases in Mandalay General Hospital Dr. Kyi Min Han
		09:50-10:00	Clinical study of the effect of antimicrobial therapy in patients with elevated serum prostate specific antigen level Dr. Khin Wah Wah Hein
10:00-10:15	Tea Break (sponsored by Okkathiri)		
10:15-11:15	<p>Nephrology (Dialysis) Chairpersons 1. Prof. Matsuda 2. Prof. Khin Mg Htay</p> <p>PD doses and kinetics Prof. Akihiro C. Yamashita Department of Chemical Science and Technology, Hosei University</p> <p>Adjusting and maintaining dry weight of dialysis patients Assoc. Prof. Kenichi Kokubo</p>		<p>Urology (Trainee Presentation) Chairpersons 1.Assoc. Prof. Myo Than 2.Assoc. Prof. Kyaw Myint</p> <p>10:15-10:25 Outcome of open renal stone surgery at Thingangyun Sanpya General Hospital Dr. Myo Zaw Tun</p> <p>10:25-10:35 Holmium:YAG laser lithotripsy: Experience and results at TSGH Dr. Phyo Thu Aung</p> <p>10:35-10:45 Sonourethrogram in Assessment of anterior urethral strictures Dr. Shein Lin Oo</p> <p>10:45-10:55 Outcomes of management of renal trauma Dr. Seine Lai Phyu</p> <p>10:55-11:05 Study of level 1 pelvic lymph nodes in radical cystectomy cases Dr. Swan Pai Oo</p> <p>11:05-11:15 Detection of prostate cancer by TRUS-guided 12-core prostate biopsy in clinically suspected prostate cancer patients Dr. Wai Phyo Aung</p>

Day 2 (5 November 2017)

Time	Grand Ball Room	Time	Ball Room C
11:15-11:35	<p>Reconstructive Urology Chairpersons 1. Prof. Chaiyong Nualyong 2. Prof. Saw Yan Naing</p> <p>Current management of pelvi-ureteric junction obstruction Dr. David Winkle</p>	11:15-12:15	<p>Nephrology Chairpersons 1. Prof. Khin Mg Htay 2. Prof. Khin Thida Thwin</p> <p>Team medicine is important to achieve better quality kidney transplantation Prof. Kazunari Yoshida Kitasato University, School of Medicine, Organ Transplant Medicine, Head of Transplant Support Center</p> <p>Organ transplant network in Japan (tentative) Ms Ikeda Recipient Transplant Coordinator, Kitasato University Hospital</p>
11:35-11:55	<p>Laparoscopic UVF and VVF repair Prof. Tin Maung Lin</p>		
11:55-12:15	<p>War injuries of the urinary tract Dr. Ye Lin Htun</p>		
12:15-12:45	Lunch (Sponsored by Concordia)		
12:45-13:00	<p>Laparoscopic Urology Chairpersons 1. Prof. Toe Lwin 2. Prof. Shwe Win</p> <p>Laparoscopic radical prostatectomy Dr Tanet Thaidumrong</p>		<p>Nephrology Chairpersons 1. Prof. Khin Mg Mg Than 2. Prof. Khin Phyu Pyar</p> <p>Improving hemodialysis catheter insertion outcome (Tips & Tricks) Dr WithoonUngkitphaiboon Vascular Consultant Maha Chakri Sirindhorn Medical Center, Ongkarak, Nakorn nayok, Thailand</p>
13:05-13:20	<p>Tips in laparoscopic adrenalectomy Assoc. Prof. Vorapot Choonhaklai</p>		<p>Early AKI awareness Theeba Krishnamoorthy</p>
13:25-13:40	<p>Initial experiences of hand assisted laparoscopic (HAL) surgery Professor Col. Saw Yan Naing</p>		<p>Importance of CKD anaemia and awareness on Biologic Prof. Khin Thida Thwin</p>

Day 2 (5 November 2017)

Time	Grand Ball Room	Time	Ball Room C
13:45-14:00	Uro-oncology Chairpersons 1. Prof. Tin Maung Lin 2. Prof. Kyaw Soe Kyaw Bladder cancer - Keys to conquer Prof. Makarand Khochikar	13:45-14:45	Nephrology Chairpersons 1. Prof. Khin Mg Mg Than 2. Prof. Khin Thida Thwin Antibody mediated rejection Dr. Aung Chan Nyein Post transplant CMV infection Dr Yin Yin Mon
14:05-14:20	Current status of RCC management in YSH Dr. Sai Lao Ngin		
14:25-14:40	Upper urinary tract urothelial carcinoma in Thingangyun Sanpya General Hospital Dr. Aung		
14:45-15:00	Tea Break (Sponsored by Zifam)		
15:00-15:10	Video Urology Chairpersons 1. Prof. Kyaw Zwa Hlaing 2. Prof. Phone Myint Hand assisted laparoscopic partial nephrectomy in our early experience Prof. Shwe Win	15:00-16:00	Nephrology Chairpersons 1. Prof. Htun Hlaing 2. Prof. Khin Phyu Pyar Hepatitis C surveillance in kidney transplant recipient Dr Yee Yee Myint
15:10-15:20	Laparoscopic adrenalectomy for pheochromocytoma Prof. Tin Maung Lin		Transplant status in Mandalay Prof. Htar Kyi Swe
15:20-15:30	RIRS Dr. Nyan Lin Myint		NODAT Dr. Kyaw San Lwin
15:30-15:40	Laparoscopic pyeloplasty Dr. Htar Htar Nyein		
15:40-15:50	Laparoscopic pyelolithotomy Dr. Lin Aung Han		
15:50-16:00	Left URS and laser tripsy Dr. Aung Min Thant		
16:00-16:30	Closing ceremony by Prof. Kyaw Zwa Hlaing
